

# Foundation Primer

*"The miracle worker for the skin"*

- Extends wear of foundation and prevents color fading.
- Fills in fine lines and wrinkles for a smooth foundation application.
- Weightless feel on the skin - will not irritate sensitive skin.
- Over time, aids in evening out skintone.
- Can be used with any foundation, wet or dry.
- Is safe for use under the eyes.
- Can be mixed with heavier formula foundations to lessen coverage.
